

PLEDGE DISCERNMENT

The *Spreading Roots, Growing Saints* Capital Campaign supports a vision for the future of St. Louis Catholic that is transformative, state-of-the-art, and all-encompassing. This ambitious campaign represents our commitment to providing the best possible educational and spiritual environment for our students. This campus will continue to honor and praise God in All Ways!

After several years in portable buildings, St. Louis Catholic students will finally have a proper home for learning. This academic facility is specifically designed in all respects to facilitate teaching and learning in a college preparatory manner.

Athletics are a hallmark of St. Louis Catholic student development. Upgraded facilities will accommodate a wider range of sports and activities, catering to diverse student interests and abilities. This inclusivity encourages more students to participate and engage in physical activities. Furthermore, having all athletic facilities on campus provides for a greater sense of pride among athletes.

DISCERNMENT CHART

*“O my God, teach me to be generous
to serve you as you deserve to be served
to give without counting the cost
to fight without fear of being wounded
to work without seeking rest
and to spend myself without expecting any reward
but the knowledge that I am doing your holy will.”*

ABOUT THE CHART:

The top row of the chart is a listing of household incomes (HHI). It is probable that no one of these matches yours exactly. Choose the one closest to yours. To the farthest left column, you will see we have established three giving categories: Active, Sacrificial, and Leadership. Our hope is that you prayerfully discern at what level you are called to participate. These categories will not be published or promoted in any way – they are simply a means for you to measure what gift level might be appropriate for your family. The numbers within the chart reflect the annual amount toward a three year pledge.

For example, if a family with \$100,000 HHI feels called to give at the leadership level; their annual pledge would be \$4,000 per year (\$12,000 over three years) for the campaign.

The pledge could be paid in monthly, quarterly, or annual installments/payments over the three years. The purpose of this chart is to give your family a guide by which to consider, based on national averages, what others in similar HHI ranges tend to give based on the factors of commitment to the project and willingness to sacrifice and/or be a leader for others in achieving the goal of the campaign. **Please know we are grateful for whatever commitment you choose to make for the betterment of St. Louis Catholic School!**
